

## The NHS Friends and Family Test

You have been giving us your feedback on your care and treatment in July we received 12 responses

100% patients told us that they would be  
*“Extremely likely to recommend our GP practice to their Friends and Family”*

Some of the comments we received;

Excellent service. No problem with appointments even in the worst COVID weeks and months. Staff very very helpful & efficient. Thank You

Friendly, professional and always treat you like a friend

I moved here because of its good reputation and I am not disappointed. Excellent staff, friendly and efficient.
